INTERIOR

This spacious, luxury aircraft accommodates 13 passengers and 3 crew members. The stunning interior features a forward lav, and a right hand forward galley complete with elegant granite countertops, TIA microwave, TIA oven, Iacobucci Espresso Machine, wine bottle and china storage. The aircraft interior also features four, forward place cabin conference club seats with electric tilt and recline functions, covered in warm-toned light tan leather. The aft cabin includes two, three-place belted divans. The right hand divan is certified to carry two passengers at take off and landing. The divans are upholstered in an inviting paisley fabric with custom, coordinating pillows. This aircraft also features a custom carpet with an attractive center-aisle pattern, and a complimenting ultra leather headliner. The woodwork is a beautiful Camphor Burl veneer with a high gloss finish, complimented by brushed nickel fixtures and plating throughout. Interior completed by Dassault Falcon Jet, Little Rock, Arkansas in 2008.

EXTERIOR

The overall Storm Cloud with Vestal White and Gamma Gray Accents finished with Satin clear coat. Completed by Dassault Falcon Jet, in 12/2014.
